

# NEWTOWN SQUARE FIRE CO. No. 1, Inc.

P.O. BOX 453

NEWTOWN SQUARE

PENNSYLVANIA 19073

CHARTERED 1916

Property / Business Owner:

The Newtown Square Fire Company No. 1 has a program in place that we believe will be beneficial to you and your property. The Knox-Box Rapid Entry System is a secure emergency access program developed for property owners and first responders. First Responders use the Knox-Box Rapid Entry System to prevent costly entry damage, while protecting property and lives. When a fire breaks out or there is a medical emergency, Knox products allow immediate entry into buildings and properties without forced entry damage or delay, especially when no key holder is present.

Property owner/emergency contact information, entrance keys, utility room keys, alarm system reset tools/ keys, access cards and floor plans can be stored in a high-security Knox-Box mounted near your building's entrance. Each Knox-Box purchased by a property owner is keyed to a single master key, coded for and controlled by the Newtown Square Fire Company. The Fire Company master key is carried securely inside the fire apparatus in a lock-down device opened only by a Fire Officer.

Property owners are encouraged to participate in the Knox-Box program. There are presently 70+ Knox-Boxes installed in various businesses, apartment complexes, nursing facilities and schools throughout Newtown Township. To purchase a Knox Box visit: <https://www.knoxbox.com/> or contacting the Knox Company at 1601 W. Deer Valley Road Phoenix, AZ 85027 /US Phone: 800-552-5669 / Fax: 623-687-2290.

To have your box keyed specifically to the Newtown Square Fire Company No. 1, you must enter the Town (**Newtown Square**) and the State (**PA**) or the Agency Name (**Newtown Square Fire Co #1**).

Once you have received and installed your Knox-Box Rapid Entry Box, you must provide the necessary keys/contents that will be stored in the box and contact the Newtown Square Fire Company to have a representative come out and secure the keys/contents inside your new Knox-Box.

Questions regarding the Knox-Box Rapid Key Entry System can be directed to the Fire Chief by emailing: [Chief@nsfc.org](mailto:Chief@nsfc.org).

Sincerely,

*P. Douglas Everlof*
